

POLICY REGARDING WRITTEN CITIZEN COMMENTS FOR BOARD MEETINGS

It is the policy of the Texas Board of Veterinary Medical Examiners (TBVME) that written comments by the public shall be received by TBVME no later than fifteen (15) calendar days before the date of the Board meeting if the public person wishes to have those comments in the set of documents given to the Board members for the upcoming Board meeting. Any written comments received after the deadline will be presented to the Board members on the day of the Board meeting. This policy does not cover comments received during the process of rulemaking by the Board, and does not affect the thirty (30) day time period set forth in the Texas Register for timely receiving comments on proposed rules by the Board.
